DSAC0625/06 Release of Funds

Trustees considered a grant application from the Diss Community Woodland Project for £4.5k in match funding to put towards the purchase of 'the Copse', the triangular piece of land off Denmark Lane. The applicants explained that they are applying to two funds and are on the cusp of being a registered charity. The recent bat walk at Quaker Wood was fully booked, demonstrating its popularity. They provide opportunities to those 'Not in Education, Employment, or Training' and a range of other local people, as well as the environmental benefits the site brings.

The proposed site requires quite a bit of work. John Taylor can remember the blacker bombard site used for its original purpose, now the landscape has changed a lot and is surrounded by housing. The project will bring considerable benefits to an existing neglected site, and they are looking for match funding of £4.5k.

Resolved: to approve the grant application of £4,500 to the Diss Community Woodland Project to put towards the purchase of 'the Copse', the triangular piece of land off Denmark Lane.
