Site	Market Place/Mere's Mouth	Number of participants	

	Safety measures you will put in place to reduce the risk of accidents	Rating band (see table below)
Setting up and dismantling stalls	Ensure all poles, stall sections, tables and crates etc are placed in a tidy manner and do not create trip hazards to persons walking past. Take particular care in the winter when both activities could take place before sunrise/after dark and in icy conditions.	
Vehicle Movement during set up & dismantling	Be especially vigilant for pedestrians, use a banks man if necessary. Take particular care in the winter when both activities could take place before sunrise/after dark and in icy conditions.	
Slips/falls/trip hazards	Regularly ensure floor area and walkways are clear of debris from the stall e.g. produce or bags. Remove all rubbish from around the site. Remove any potential slip or trip hazards; ensure any trip hazards that cannot be moved are clearly marked with hazard tape.	
Tripping over promotional banners	Ensure Banners are placed so as not to cause trip hazards, to be weighted down where necessary to avoid falling over.	
Vehicles	Remove all vehicles from area during trading but if display vehicles are required they must be supervised at all times.	
First Aid	Make sure you have provided First Aid equipment and that it is up to date; a mobile phone must be carried to call the emergency services.	
Stalls/Gazebos	All stalls/gazebos to be erected so as not to cause trip hazards, to be weighted down where possible to avoid any stall falling over.	
Stall tables	All tables to be of heavy construction wood or metal, to take weight of goods being sold.	
Cabling	Make sure no cables are trip hazards and are taped over walk areas etc.	
Hot Food / Beverage Making Equipment	Make sure these are situated as safely away from the public on a solid foundation with caution signs nearby.
