

Burston & Shimpling

Local Issues raised:

- Traffic rat-running to avoid Diss
- More safe routes for pedestrians and cyclists needed with integrated public transport links
- Housing growth needs to be sustainable and suit the needs of local people

Burston & Shimpling Steering Group representative:

Alison Wakeham

I moved to Norfolk in 1988 and enjoy living in such a rural area. I joined the Neighbourhood Plan so as to influence the way the area develops, for people and wildlife.
